

DELIVERING SUCCESS, THAT'S THE BOTTOM LINE.

As an established and progressive market leader, our privately owned and internationally operating client focusses on R&D, customers and its people. As part of the ongoing development of their Northern and Southern Irish business, they require a highly competent:

General Manager/MD

Reporting to the Group CEO, the role, based in Tipperary, carries bottom line accountability for a business that is involved in trials, production, processing, sales and distribution of a key agricultural input via the merchant trade.

You will need a solid understanding of the agricultural industry with a proven track record of leadership within a forward thinking, client focussed organisation. Awareness of, or an interest in the dairy sector is beneficial.

In return our client offers a significant and attractive remuneration package that will include profit share and other emoluments as expected from a "blue chip" employer. Relocation assistance is available.

To discuss the role and your suitability in a confidential manner call Martin Thorley or one of the consultancy team, alternatively email your CV along with a covering letter.
